This modern villa in Polop is unique because it measures 130 m² and has a plot of 503 m². Most modern homes in this area have a built area of 100 to 110 m<sup>2</sup> because the plots are smaller. Upon entering through the front door, you enter a very spacious hall (which most modern homes no longer have). The villa was built by the current owners to live in and to maximize the use of...
